This product sheet does not contain all of the details you need to choose a mortgage. Please speak to your Mortgage Adviser who will provide you with a mortgage illustration, which will detail all the features of a particular mortgage. Please make sure you read the mortgage illustration before you make a decision on your choice of mortgage product.

Interest Rate:

2 YEAR FIXED RATE		
Initial Rate	Then changing to our Standard Variable Rate (SVR) currently	The overall cost for comparison is
5.12% fixed for two years	7.99% variable	7.7% Annual Percentage Rate of Charge (APRC)*

* The actual rate available will depend upon your circumstances. Ask for a personalised illustration.

It should be noted that if the property is empty, you are still required to make the full monthly mortgage repayments.

The loan is based solely on the rental income derived from the letting. Therefore, the condition of the property must be satisfactory requiring no essential items of repair.

- As interest is calculated on a daily basis, any overpayments you make will immediately reduce the amount you owe and also the amount of interest you pay.

The mortgage property (which could be your home) may be repossessed if you do not keep up repayments on your mortgage

- At the end of the fixed rate period the rate will revert to the Society's standard variable rate applicable at that time which will not fall below 3.00% at any time during the life of the mortgage.

Loan:

- Maximum loan £1,000,000.
- Maximum loan to value is 65% (excluding any fees added to the loan). Loan to value is your total mortgage amount divided by the purchase price or valuation whichever is the lower.
- Minimum Property Value is £50,000.

Fees/Charges:

- Early Repayment Charge: If the mortgage is repaid either in whole or in part, or is transferred to an alternative product during the term of the product then an early repayment charge will apply. This charge will be based on; 2% of the outstanding loan if the mortgage is repaid in the first year of the product term and 1% of the outstanding loan if the mortgage is repaid during the second year of the product term. Capital repayments, which are not subject to the above early repayment charge, can be made of up to 10% of the original loan amount (original transfer amount if variation) in any 12 month period from the date of completion.
- One free standard mortgage valuation for all purchase, remortgage or additional borrowing applications. If a valuation is required in connection with a product transfer, then a valuation fee will be payable (per scale). Please refer to the Tariff of Mortgage Charges leaflet for further details.
- A Mortgage Exit Fee is payable at the prevailing rate on full repayment (redemption) of your mortgage.

Additional Borrowing:

- If you qualify, additional funds may be made available using the Society's Additional Borrowing facility. Further details are available on request.

Deposit Protection Scheme:

- If a deposit is to be paid by the tenant you must sign up to one of the 3 schemes listed below:-
 - Deposit Protection Service (DPS)
 - Tenancy Deposit Solutions Ltd (TDSL)
 - Tenancy Deposit Scheme (TDS)

Representative Example (based on a Non-portfolio Investment Property purchase):

The Annual Percentage Rate of Charge (APRC) varies with the circumstances of each mortgage. Here is a representative example of a loan secured on your investment property: A mortgage of £125,000.00 on an interest only basis payable over 25 years initially on a fixed rate for 2 years fixed at 5.12% and then on our Standard Variable Rate (SVR) of 7.99% (variable) for the remaining 23 years you would pay:

1 monthly repayment of £17.53, followed by
24 monthly repayments of £531.14, followed by
276 monthly repayments of £826.96
1 final payment of £125,000.00

The total amount payable would be £366,145.85 made up of the loan amount of £125,000.00 plus interest (£241,005.85), a funds transfer fee of £20 and legal fee of £120. The overall cost for comparison is **7.7% APRC** representative.

Please note: the example above is for a non-portfolio investment property purchase only and assumes a payment date of 1st of the month. If you choose to pay your mortgage later in the month this will affect payments and could result in a higher APRC. For product transfers, re-arrangement and additional borrowing applications, certain fees do not apply. Please speak to your mortgage adviser for further details.

MORTGAGES

Buy to Let Fixed Rate Portability Leaflet

This product is subject to an early repayment charge if the loan is repaid in full or in part or is transferred to an alternative product up to and including the date stated in the product terms and conditions.

The mortgage product you have chosen is portable. This means you can retain the benefits of the product even if you change your investment property.

You can transfer the balance from your current Buy to Let mortgage account to a new Buy to Let mortgage account secured on your new investment property. The terms and conditions that applied to your Buy to Let mortgage product will continue until the end of the early repayment charge period. If you do not wish to transfer your Buy to Let mortgage product, an early repayment charge will be payable on the amount which is not transferred and you will then be in a position to choose an alternative product.

If your new Buy to Let mortgage does not start at the same time as the full repayment (redemption) of your current Buy to Let mortgage, an early repayment charge will be payable. If a new Buy to Let mortgage application is received for porting this mortgage product within 3 months of the full repayment (redemption) of your current mortgage the early repayment charge will be refunded on completion of the new mortgage. If you take out a new Buy to Let mortgage at a later date, you will then be in a position to choose an alternative product. The early repayment charge previously paid will not be refunded.

If your new Buy to Let mortgage is less than your current Buy to Let mortgage, you can transfer the amount you need and an early repayment charge will be payable on the difference. If you increase your borrowing at a later date, you can choose an alternative mortgage product for the additional borrowing that you require (subject to product terms and conditions). The early repayment charge previously paid will not be refunded.

If your new Buy to Let mortgage is more than your current Buy to Let mortgage, you can transfer your Buy to Let mortgage product and choose an alternative mortgage product for the additional borrowing that you require (subject to product terms and conditions).

You will need to complete a Buy to Let Mortgage Application Form and we will carry out our usual status enquiries and obtain a Valuation Report on the new property. We cannot guarantee to offer you a new Buy to Let mortgage if your personal circumstances have changed, the Society's lending criteria has altered or the property is deemed not to be suitable security. An early repayment charge will be payable if the Society is unable to transfer your mortgage.

Products are only available within England (including Isle of Wight) and Wales and borrowers must be UK residents.
